Ready to help his students everything in details, really goes that extra mile to that everything so crystal clear. Amazing slides with details and has different ways to explain an idea so that everyone understands what is being said. amazing doctor
Great Dr. Keep up the good work!
Being able to attend a class with someone who knows and cares about the material so much is a blessing. No matter what subject Dr Hilal teaches, his class wants to learn ,he always communicated things in a clear way , willing to help students,knowledgeable,and obviously loves to teach and cares passionately about his job.He tried his best to make even the most dull information exciting using relevant examples to make connections between course material and the real world. The class material was splendid ,well organized and made the class enjoyable overall. I wish I could provide constructive criticism, but I can't. I learned a lot in this course;Dr Hilal did a phenomenal job teaching it. Wish I could take more classes with him! ♥ ☐☐
