Hello
Very nice course when it comes to the practical part. while the theoretical part is a bit different.
Nc
Its good to gain basic information related to acoustical domain. It is beneficial.
Good
Dr Hilal has done an excellent job in this course. Everything was well presented and explained in details. The way he teaches makes students truly understand why we need to learn this and how can we apply it in real life scenarios.

nice course
Very boring and useless. Should be a technical course rather than a core course.
enttering Guinness World Records for the faster doctor finish slides (50 slides in 18 minutes)
